CHAH, IDAHO

## COLLECT . . .

O Lord, who hast taught us that all our doings without charity are nothing worth: Send thy Holy Ghost and pour into our hearts that most excellent gift of charity, the very bond of peace and of all virtues, without which whosoever liveth is counted dead before thee. Grant this for thine only Son Jesus Christ's sake. Amen.

## MAILBAG . . .

Grace Hagiwara, William-Smith College, Geneva, The only thing new a-

round here is the unusually warm weather we're having and the week-end trip to Rochester, which all four of us and two others took. Rochester is a grand city-350,000 and full of cultural opportunities for anyone interested in education.

Florence Anazawa, Geneva, New York. . . . Last Weekend all of us, Nisei at this college went to Rochester to meet with some WRA officials and some of the Niseis in Rochester. The meeting was held at the home of Mr. & Mrs. Corbin who are with the Eastman Kodak Company. . . . Have been approved a full scholarship to a conference to be held in Syracuse on Postwar Planning.

Mr. H. H. Okuda, Amache, Colorado. . . We have here now a family reunion, Mr. & Mrs. Fujimoto are visiting us from Chicago. . . Everything is running smoothly and the weather is no exception. Nao is in Chicago now and she will be back to Antioch 1st of April and continue her study, Toyo in Philadelphia and Kenji in Berlin. We are in good health as usual.

Miss Pricilla Haga, Cleveland, Ohio. . . . Weather out here has been quite favourable to us; fact is we only had two or three cold spells, which lasted from three to four days at the most. I have been attending the Trinity Cathedral, but since moving out to the Heights residential district, find it rather inconvenient going into town every Sunday.

Deaconess Margaret Poppers, Philadelphia . . . Did someone say this would be a vacation? Perhaps it has not yet begun. I have been East one month and I have not been able to go to a show not even a movie. All the good music I have heard has been in the Churches. I have not been able to make all the visits I expected. Dr. Takino and the students nurses in the Episcopal Hospital are getting along nicely. The staff and all the nurses all speak highly of them. I am having dinner with Toyo and Dorothy this evening. I have made ten talks so far since the 28th of January and have 12 between now and Wednesday evening. Please give my regards to all.

Miss Gertrude Sanders, Tacoma. . . I do enjoy the Minidoka Churchmen and like its new form. . . May this terrible war of hatred and revenge by the mercy of God soon end. My love and best wishes to my friends. Chicago, Illinois, Edith Suzuki writes. . Arrived safely on the second of February. Went to Christ Church last Sunday with Rev. & Mrs. Yamazaki. My best regard to all the members.

Pvt. Willie Tahara, Camp Shelby, Mississippi. . . My regards to all.

I hope this letter finds you and all the rest of the people in the best of health. . Pfc. John Kakchashi, Camp Shelby, Mississippi.

Irene Kimura, Philadelphia. Now that I've been out here almost a week, I still miss camp and all you folks. Unbelievable maybe but that's how it is. Philadelphia is not such a bad ole place. Went to low mass at the St. Marks Chapel. I felt more at home there than at any service since I've been in the east. Hello to the rest of the Church folks.
